Questions for Breakout Sessions:

- 1) Are there additional stakeholders who may want to be involved in all or some specific areas of inquiry?
- 2) To what extent are we aware of already identified issues/problems in these areas?
- 3) What other issues/problems should be examined as possible contributors to racial disparities?
- 4) Is there data that is accessible to inform us regarding any of these issues/problems? If so, who has it? If not, what other data do we need and what entity has the ability to either collect it or analyze it?
- 5) What actions/strategies could be employed to address the disparities and in what timeframe?
